

TRANSFER AND ENTREPRENEUR CENTRE

Where do I stand at the end of the qualification program?

Through the offerings of TUGZ@OVGU and OVGU GmbH, as well as the centrally offered events, you will know what matters in starting a business and how to do it. And you have met other female entrepreneurs who share their experiences with you.

You have been able to develop a new, sustainable business idea or further refine your existing idea and validate the business model. You know the next steps for your own startup and may have even found co-founders or secured follow-up financing.
