Invention disclosure

Employees of the Otto-von-Guricke-University Magdeburg report their own **ideas from their research activities on intellectual property rights and can have them brought to utilization**. We help you with all questions about **industrial property rights**, starting with the generation of ideas and transferring them into a **declaration of invention**, up to the application for the property rights and the **implementation and utilization of your inventions**. In addition, we provide you with up-to-date legal information of **funding possibilities** for intended spin-offs and offer inventor consultation hours.

As part of a **research activity** you developed an own idea of an **invention**? We are happy to assist you in making an [invention disclosure](#).
